

Portfolio of Yang Sydney's works

杨悉尼部分作品集

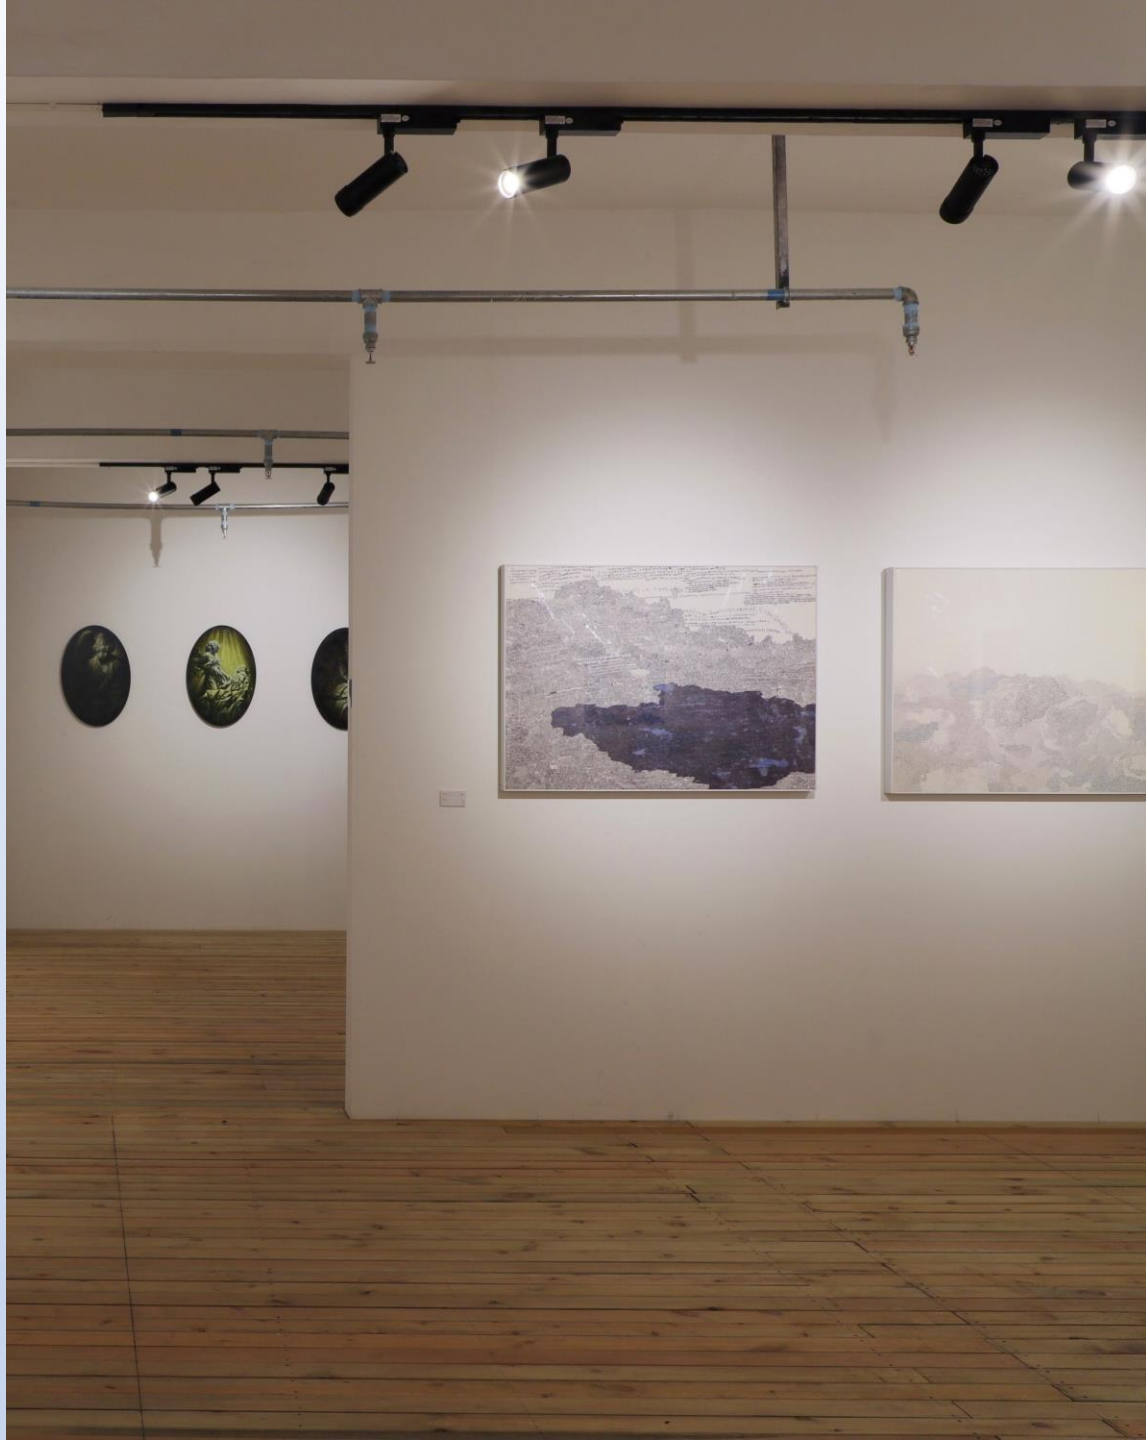

I'm graduated from Sichuan Fine Arts Institute in 2022. I majored in Film-video Animation but I put my mind to drawing on papers. Usually my works look static while narrative. Sometimes I will write a poetry by my painting.

The theme of my creation mostly about nature. Water, tree, sun, stone, sea, stars…… these images are just like images that came from faire tale books we read since we are young. But now my words and pictures are expected to comfort adults.

我热衷于将故事的讲述用简凝的方式放置在画面中，试图通过视觉语言的运用，在我的表达中杂糅理性的真理与感性的浪漫。

我创作的绘画作品，平面上的形状和色彩，解读着流淌着的纷乱思绪，记述并展开了关于我的事情的发生。

从赤的脚

水流向我

从含水的地方把冰冷的平静带给我

From the naked feet

Water flows to me

Bring me cold peace that came from watery places

Always reflected when there was light

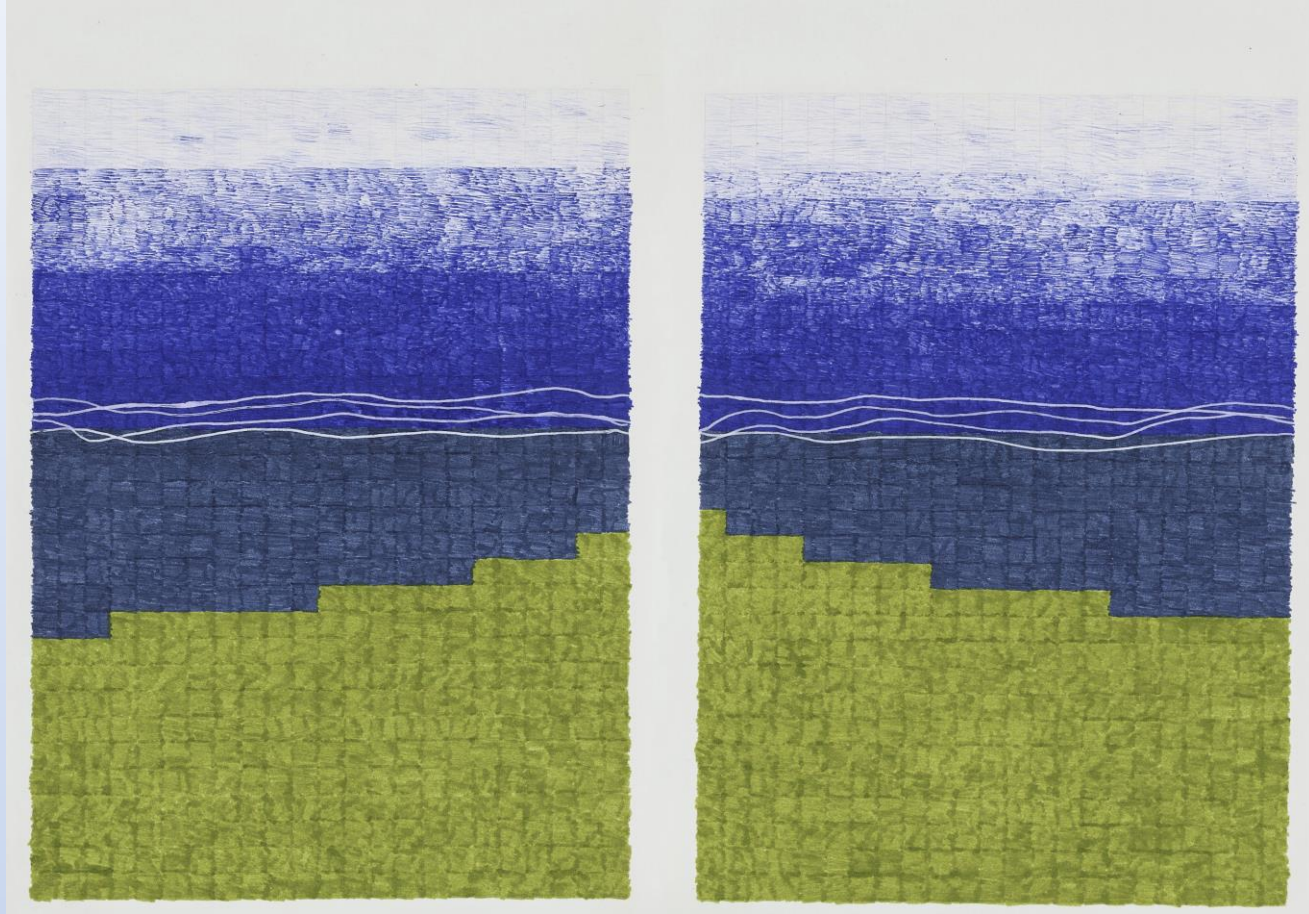

With a wobbly ripple

房间 Rooms

房间里是我最后的安全处所

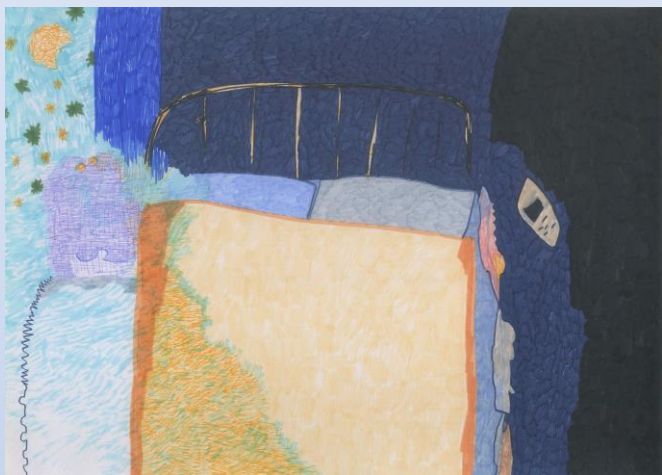

从小和父母吵架，我就摔门躲进房间里反锁，这是世界上最后的安全的地方。爸爸就算踹门也没踹得来，妈妈就算痛哭大叫我也不用看见她的眉目。

画中是我住过的其中四个房间。我是我自己生活里的难民，而一个个这样的地方短暂地收留了我。

These are rooms that I used to live in. I'm a refugee of my life but rooms can be the shelters.

When I was a child, I would slam the door and hide behind the lock of my room during arguments with my parents. it was the last safe place on earth. Dad couldn't kick the door in while Mom could cry but I wouldn't have to look at her.

网上解梦说：“梦见床上长草，得此梦，因情感与他人间相处不和，彼此生活多有不利，自作主张之人，则事业常有不安之感。如做此梦，乃是细心做事之人，多可有他人相助之意，此乃吉兆。秋天梦之吉利，夏天梦之不吉利。”

The online dream reader said : “ The people who dreamed grass on his bed had a discord of emotion with others , and feeling uneasy about career. But also he is a careful person, so it's possible to receive some help from the others. It's a good dream when it is happening in fall.
